

Langley Fundamental Middle Secondary School Study Block Contract 2024-2025

LFMSS offers a rich variety of courses and believes that students should take advantage of the opportunity for a full education. In-school study blocks are a privilege reserved for senior students who have ample credits and challenging course loads.

Grade 12 Students

Grade 12 students who will have compiled 88 credits by the end of their grade 12 year **are entitled to one study block**. If a student does not make good use of their study block time, this study block may be rescinded.

Grade 11 Students

Grade 11 students are encouraged to be actively involved in eight courses. Grade 11 students who are on a path to successfully complete 88 credits by the end of their grade 12 year, may apply if one of the following criteria are met:

- ✓ The student is enrolled in an extended day course (i.e. Choir, Leadership, Global Education).
- ✓ The student is taking a Distributed Learning course outside of LFMSS and therefore is eligible for a study block.
*During this block of time, the student is expected to work on the DL course.
- ✓ The student is maintaining a heavy academic load that would benefit from a study block.
*Permission from parents and administration is required.

Grade 8 - 10 Students

There are no study blocks for grade 8, 9 and 10 students. In extenuating circumstances, the administration may place a Grade 9 or 10 student in a custodial/tutorial study with a class. *This means a student is attached to a teacher for attendance.

Expectations of Study Blocks

- Students are expected to report to the library or another classroom for study block. *See document for possible locations.
- Students are expected to work productively during their study block.
- Students are allowed off of the school property **with parent/guardian permission**.
- **Students must report to the Office Staff** in the evacuation area during an emergency evacuation.
