Home and School Working Together

April 10, 2026

Issue #14

Upcoming Dates

Dear LFMSS Families,

As we move through April, there is a great deal of positive energy and excitement throughout our school. Thank you, as always, for your continued support and involvement.

School Musical – *The Little Mermaid*

We are eagerly looking forward to our upcoming production of *The Little Mermaid*. Our students and staff have been working incredibly hard, both on stage and behind the scenes, to bring this magical story to life. We can't wait to share their talents with our community—details about performance dates and ticket information are included within this Tribune.

Athletics Update

Spring athletics are in full swing! Best wishes to our teams as they represent our school in:

- **Girls' Soccer**
- **Track & Field Events**
- **Coed Ball Hockey**
- **Badminton**

We are proud of our student-athletes for their commitment, sportsmanship, and school spirit.

Important Schedule Reminder

Please note that on Monday, April 13th, Grades 8–12 students will not be in session.

Grade 6/7 students will be in attendance as usual on this day.

Grad 2026 Bowling Night

Many of our Grads of 2026 enjoyed a fantastic evening at their Grad Bowling event this past Wednesday at Alder Lanes. It was wonderful to see students connecting and having fun together—thank you to everyone who helped make the evening a success.

Congratulations to Soren Collemine who was one of the nominees for this year's Pete Swensson Outstanding Community Youth Award 2025-26! This award is recognized every year at the Township of Langley "Volunteer Appreciation and Awards Evening" and recognizes the incredible academic, athletic, and community service from many of our Langley youth.

Fundraisers for Charity

CLE 10 students are fundraising for a cause! On **Wed., Apr. 15**, support the Langley Food Bank and The Children's Cottage Society by bringing a **toonie** to buy a candy bag, cookie, donut, or Dr. Pepper! All proceeds will go to these charities.

“Sweet treats for a great cause!” Next Wednesday, buy a candy bag for just \$2! All proceeds go to support the Langley Food Bank, which helps thousands of local families each year, with 82% of the funds they receive going directly toward supporting people in need. Enjoy something sweet while helping your community!

Help support the Children's Cottage Society, and registered charity that helps prevent child abuse. They provide nurseries and help shelter children as well as support survivors of domestic abuse. Thank you for your support!

A white poster with a light blue border. The text reads: **Bake Sale!**, **Sweet treat, BIG impact!**, **Cookies: \$2.00**, **Donuts: \$2.00**, **Dr. Pepper: \$2.00**, **CASH ONLY!!!**, **Come to the middle school courtyard at lunch on April 15!**, **ALL PROCEEDS GO TO CHARITY**, and **Children's Cottage Society – an organization that focuses on preventing child abuse**. There is an image of a red Dr. Pepper can and a pink donut.

A Season of Theatre

The Langley School District is proud to be presenting another season of Main Stage Productions! This year's lineup dives deep into what makes us human - **identity, love, resilience, and transformation**. From the bold defiance of *Antigone* to the glittering ambition of *Chicago*, the heart of *The Prom*, and the magic of *The Little Mermaid*, every show invites you to explore who we are and what we stand for. Please see the full listing of shows and dates at the link below and reserve your seats and experience the power of live theatre!

April Health Messaging – Fraser Health

As part of its health promotion for students and families, our community partner Fraser Health is sharing important information on various topics. The theme for April is Physical Activity Outdoors. Please share the following information below in your next newsletter or communication to families. This information will be shared on the District's social media channels.

Physical Activity Outdoors (from Fraser Health)

Health, safety, and wellness continue to be a priority in our schools. To help support our students and families, we are sharing important information from our community partner Fraser Health about the importance of physical activity outdoors. Please see below for helpful reminders to support your child.

Get Outside and Play

Physical activity is a necessary requirement for optimal health. Regular physical activity in childhood and adolescence helps to develop cardiovascular fitness and muscle strength, supports positive social connections and improves mental well-being. There are many benefits to unstructured play. These benefits are even greater when engaging in physical activity outdoors. When children and youth spend time outside, they:

1. **Sit less, move more and play longer** - key to cardiovascular health and fitness.
2. **Have healthier eyes** - spending more time outside reduces nearsightedness risks.
3. **Sleep better** - sunlight helps regulate sleep hormones and sleep patterns.
4. **Enjoy improved mood** - physical activity can reduce symptoms of anxiety and depression.
5. **Feel more connected to nature** - appreciation of the environment and being in nature can support healthy and balanced emotions.

Planning active outings doesn't have to be challenging or costly. Here are some fun ideas you can try:

- **Try a new activity** – check out [geocaching](#) or attend a local explorer day with [NatureKidsBC](#).
- **Unplug and connect** – ideas to decrease recreational [screen time](#).
- **Go for a scavenger hunt** – try this [nature scavenger hunt](#).
- **Go for a walk or hike** – try these [10 hikes to take your kids on this summer](#).
- **Play in a forest or park** – try a new [regional park](#) every day for a week.
- **Explore a local stream** – check these [beautiful watershed walks](#) in the region. Learn about [water safety for children](#).
- **Swim at the pool, waterpark or beach** – check [beach safety conditions](#) first or stay cool at a local spray park.
- **Ride a bike or scooter** – explore the [Hope Bike Park](#) or check out these rides along [Boundary Bay](#), [Pitt Meadows](#) or [Vedder Greenway](#). Learn more about cycling safety on [Fraser Health's website](#).
- **Visit farms, fish hatcheries and bird sanctuaries** – try this [local family fun guide](#) for unique ideas.

Find more ideas to keep your kids active through the year on Fraser Health's [Keeping children active](#) page.

Learning Resources in Schools

The Ministry of Education and Child Care is responsible for setting direction around the use of Learning Resources by educators in classrooms and school Learning Commons. In BC, the Ministry of Education and Child Care has determined that local boards of education have responsibility for determining how learning resources are chosen for use in schools. All boards and school districts must have policies and procedures for choosing learning resources. This directive is set out in the Ministry of Education and Child Care's Learning Resources Policy which can be found at the link below:

<https://www2.gov.bc.ca/gov/content/education-training/k-12/administration/legislation-policy/public-schools/learning-resources>

In Langley, there are two Administrative Procedures that guide the selection and use of Learning Resources in Langley schools. Both procedures can be found on the school district website and are being shared with parents at the links below:

Administrative Procedure 251 – Learning Resources

https://media.sd35.bc.ca/media/Default/medialib/ap_251_learning_resources.393d258361.pdf

Administrative Procedure 252 – Selection Procedure for Library Learning Commons Resources

https://media.sd35.bc.ca/media/Default/medialib/ap_252_selection-procedure-for-library-learning-commons-resources.5ac4588360.pdf

If parents/caregivers have questions or concerns about the resources available in their child's school or the local procedures regarding the review, evaluation, approval, and selection of learning resources, they should reach out first to their child's teacher or school principal. Most questions and concerns can be addressed productively through conversation with educators at the school level.

Student in Distress and School Safety

Health and safety are a priority in the Langley School District. Our schools follow procedures to help keep students, staff, and the community safe. Depending on the situation, communication to parents/caregivers is needed to keep families informed about incidents in our school, such as during lockdowns, hold & secures, and room clears, or in the event of a student in distress.

Sometimes these situations may not be emergencies but events that require a school response. It is important to note that the decision to send communications to families is dependent on a variety of factors including the nature of what happened, who has witnessed or was directly impacted by what happened, as well as student and staff privacy. Communication is unique and dependent on the specific situation; there are times when a student is in distress, yet the situation may or may not require a message or letter to families. In addition to communication with parents/caregivers, teachers and staff may debrief with students after an incident that may have upset them. In some cases, the school counsellor may offer support to students in need. As always, we want families to let us know if your child requires support. If you have any questions or concerns about communication related to situations or emergencies, please reach out to the school.
