

The Titans' Tribune

Home and School Working Together

January 9, 2026

Issue #9

Hello LFMSS Families:

Welcome back! I hope you had a wonderful holiday season filled with rest and joy. As we step into 2026, we're excited for all the learning and growth ahead.

This January is full of important events and opportunities for our students and families. Please take a moment to review the details in this edition of the Titan Tribune – there is lots of valuable information to keep you connected and informed.

Thank you for your continued support in making our school a vibrant and caring community.

Sincerely,

Carla Clapton
Principal

What's Happening Around the School

Would you like to learn more about the sports you love? Throughout Recreational Leadership (available to grades 10-12), you will be able to do just that. By spending your time at the score table, or helping coach a team, you will gain credits as well as valuable leadership skills. This might end up being your favourite course! Sign up during course selection week. If you have any questions, message Mr. Johnson via Teams.

The advertisement features a dark blue background with a large white 'TITANS' logo at the top right. Below it is a stylized shield logo with a helmet. The main title 'RECREATIONAL LEADERSHIP' is displayed in large, bold, white capital letters. Below the title, a white text box contains the message: 'Earn Credits - While Enjoying Sports! Register during Course Selection'. At the bottom, the text 'AN OUTSIDE THE TIMETABLE COURSE - OPEN TO GRADES 10-12' is displayed in large white capital letters. A 'LEARN MORE' button with a 'TITANS' logo is located at the bottom left. The bottom right features a photograph of a basketball court with a lightning bolt mural on the wall.

Volunteers Needed – LFMSS Career Fair

On Tuesday, January 27th, 2026 we are having a half-day career fair for our grade eight and nine students. This fits in as part of the increased focus on career education in the curriculum and is a part of their assessment for Career Education 8 and 9. We hope to be able to provide at least five different interest-based career exposure opportunities for each student over the course of the half-day. **The career fair will run from 8:45am to 11:50am. Additional scheduling details will be sent out to volunteers as we approach the date.**

This is what we need: You!

We need approximately 15 parents or guardians who would be willing to volunteer their time, for part of the day, to talk about their career. I know from previous years that we have many fascinating careers represented across our parent population, and so it would be wonderful to share your experiences with our students. **For our career fair, it would be ideal if we had about 15 different careers being represented in order to appeal to the various interest areas of our students.**

If this is something that you would consider, or would like more information about, please email me at klay@sd35.bc.ca and let me know the career you would be willing to tell our students about, as well as your availability on that date. I will be emailing additional details about scheduling and format once we have our speakers accounted for.

This is such an important and impactful opportunity for our students, and so I thank you for your consideration of it. I look forward to hearing back from many of you.

PS: If you have older children who are LFMSS alumni, or if you know of someone with an interesting career who would be willing to talk about what they do, please pass this message to them as well.

A Season of Theatre

The Langley School District is proud to be presenting another season of Main Stage Productions! This year's lineup dives deep into what makes us human - **identity, love, resilience, and transformation**. From the bold defiance of *Antigone* to the glittering ambition of *Chicago*, the heart of *The Prom*, and the magic of *The Little Mermaid*, every show invites you to explore who we are and what we stand for. Please see the full listing of shows and dates at the link below and reserve your seats and experience the power of live theatre!

21	DISTRICT DRAMA FESTIVAL
	Langley Fine Arts School Chief Sepass Theatre 6:00 PM

Decorative elements include snowflakes and musical/drama/cinema symbols at the bottom.

Information About School Status During Inclement Weather

Snow closures and power outages are an annual occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to X (formerly Twitter) @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, CKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.

January Health Messaging – Fraser Health

As part of its health promotion for students and families, our community partner Fraser Health is sharing important information on various topics. The theme for January is Child and Youth Mental Health. Please share the following information below in your next newsletter or communication to families. This information has been shared on the District's social media channels.

Child and Youth Mental Health (from Fraser Health)

Health, safety, and wellness continue to be a priority in our schools. To help support our students and families, we are sharing important information from our community partner Fraser Health about Child and Youth Mental Health. Please see below for helpful reminders to support your child.

Support Your Child's Mental Health

Positive mental health allows us to enjoy our lives and can help children and youth weather the normal ups and downs of life. It plays a critical role in the healthy development of children and youth, supporting their ability to build healthy relationships and succeed in school.

How Can Parents Support Positive Mental Health?

Parents can foster positive mental health through strong and caring relationships with their children.

- Self-care – focus on doing something for yourself, even if just for a few minutes.
- Build routines – consistent schedules, such as meal, sleep and play times help children feel safe.
- Connect – talk and listen to their feelings and experiences.
- Be active together – take a walk and build physical activity into family time.
- Take notice – encourage and praise the positive behaviours and choices your children make.
- Keep learning – encourage your child to learn from both positive and negative experiences.

- Be present, not perfect – give your time, your encouragement and your presence.

Get more information about positive mental health for children and youth [here](#).

Sometimes parents aren't sure how to talk about mental health. Learn more about [tips for how to talk to your child or teen about mental health](#).

Family transitions like separation and divorce can be tough and can impact mental health. To learn more and access practical resources visit [FamiliesChange.ca](#).

Need help? Find out services, programs and resources for your child and/or youth on Fraser Health's [Child and youth mental health](#) page.

Remember, you can get fast and reliable health advice from registered nurses with emergency experience who have access to your child's personal health record. Contact them via phone at 1-800-314-0999 or web chat. Learn more at [Fraserhealth.ca/VirtualCare](#).

Student in Distress and School Safety

Health and safety are a priority in the Langley School District. Our schools follow procedures to help keep students, staff, and the community safe. Depending on the situation, communication to parents/caregivers is needed to keep families informed about incidents in our school, such as during lockdowns, hold & secures, and room clears, or in the event of a student in distress. Sometimes these situations may not be emergencies but events that require a school response. It is important to note that the decision to send communications to families is dependent on a variety of factors including the nature of what happened, who has witnessed or was directly impacted by what happened, as well as student and staff privacy. Communication is unique and dependent on the specific situation; there are times when a student is in distress, yet the situation may or may not require a message or letter to families. In addition to communication with parents/caregivers, teachers and staff may debrief with students after an incident that may have upset them. In some cases, the school counsellor may offer support to students in need. As always, we want families to let us know if your child requires support. If you have any questions or concerns about communication related to situations or emergencies, please reach out to the school.

Applications due: January 26, 2026

Aviation Explorations 12
Next Class Starts January 2026

Are you interested in aviation—as a career option, or just for fun?
Then this is the course for you. Classes begin January.

Learn about: History of aviation, theory of flight, air navigation, meteorology, safety systems, air law, career paths, and more. We do hands-on learning, field trips and have guest speakers from industry.

Where and When: Classes take place at LEC / LSS campus, Monday and Wednesday afternoons from 4:00pm to 7:00PM. Students continue with their regular studies at their home schools during school hours but get to add this extra grade 12 course toward their grad requirements.

Who: Students in grades 10-12 who are interested in aviation. There are no pre-requisites, however, careers in aviation require professionalism and good communication skills. Some career options require strong math skills.

Do you like:

- ✓ Going on field trips
- ✓ Hearing guest speakers working in the aviation industry
- ✓ Doing hands-on assignments
- ✓ Learning with like-minded students

Next Steps:

 If you are interested in the next course, talk to your parent/guardian and begin the registration process now. This process has multiple steps and takes some time. Go to: <https://lec.sd35.bc.ca/registration/>
Course registration opens in October.

 If you or your parent/guardian would like more information, complete the more info form. [More Info](#)
