

The Titans' Tribune

Home and School Working Together

May 8, 2026

Issue #16

Upcoming Dates

Hello LFMSS Families:

As we continue to move through the final stretch of the school year, the energy and pride within our Titan community continues to shine.

Our Titans have been busy in athletics, demonstrating commitment, teamwork, and sportsmanship. The ball hockey season continues with great enthusiasm, and our athletes have shown impressive determination. Our Grade 8-12 track and field athletes have been representing our school at meets with strong performances and positive Titan spirit. We are also thrilled to cheer on our senior girls' soccer team as they head into playoffs—best of luck! Looking ahead, we are excited for our upcoming middle school track meet, where many students will have the opportunity to showcase their skills and experience the joy of competition.

We also proudly celebrate the tremendous success of the LFMSS production of *The Little Mermaid*. This magical performance showcased the incredible talents of our students and the dedication of our staff, along with outstanding support from parents and alumni. It was truly a community effort and a wonderful example of how our school motto, "Home and School Working Together," comes to life.

Our students, staff, families, and alumni continue to be a source of strength and inspiration. The collaboration, encouragement, and care shown across all areas of school life make LFMSS a place where students thrive.

Please be sure to review the Fundy June Calendar of Events, which is shared within this edition of the Titan Tribune. This calendar is also available on our school website to help families stay informed and connected

- May 12 Gr. 6 IDEA Summit Field Trip
- May 14 Gr. 8 Slam Off @ 9:00am
- May 14 District Aboriginal Achievement Awards @ 5:00pm
- May 15 District Pro Day – All Students not in session
- May 18 Victoria Day – Schools are closed
- May 25 District Athletics' Evening @5:00pm (LEC)
- May 25 PAC Meeting @7:30pm
- May 29 LFES 50th Anniversary @4:30pm

Please visit www.lfmss.sd35.bc.ca for the most up to date calendar of events.

COMMUNICATING

with your school

GUIDELINES FOR REPORTING AN ISSUE OR CONCERN

- 1 Start with the employee whose action has given rise to the issue or concern
- 2 Contact your principal, vice-principal, or counsellor
- 3 Speak with a District Principal or Assistant Superintendent
- 4 When applicable, make an appeal to the Board of Education

during the busy month of June. Finally, if you access Instagram, we regularly highlight LFMSS and District related opportunities for our students.

Thank you for your continued support and partnership.

Sincerely,

Carla Clapton
Principal

Please find current Community June 2026. The website calendar is the most up-to-date version.

What's Happening Around the School

Congratulations to Aliya Sakhon and Iris Charles, both Grade 10 students at LFMSS, on their acceptance into SHAD Canada, a highly prestigious national program that recognizes outstanding academic achievement and leadership potential.

Grade 6 Fundy Speak Out from last Friday, May 1st.
Mrs. Lambert and Ms. Hoelzley's worked with all the Grade 6 students on speeches for the month of April.

LFMSS Grade 8-12 Senior Girls Soccer team reaches Zone Finals

Congratulations to the Grade 8-12 Girls soccer team for a thrilling come-from-behind semifinal win against Langley Christian on Thursday May 7th! With the game tied 3-3 after regular and extra time, the girls won 3-1 on Penalty Kicks, where Keeper Madi Rickards made some fantastic saves. Come on out to Noel Booth Artificial Turf to cheer the girls on in the Finals vs rivals Brookwood this coming Tuesday May 12th immediately after school!

STUDENT COUNCIL SUMMER SALES

FLASH FREEZY SALE

ONLY \$2.00

May 14th | CASH ONLY
IN THE MIDDLE SCHOOL COUR YARD

Studio Art 11/12 3D created fictional creatures, using various 2D and 3D mediums. The assignment is inspired by Theodore Geisel's (aka Dr. Seuss) early work of "Unorthodox Taxidermy".

Ms. Vogt's CLE 10 students recently participated in a charity fundraising project to learn about social issues, research charities that support people in need, and advocated for their chosen charity to win \$1000. Students did a great job advocating for their respective charities, and two of the groups each received \$500 each to donate to their chosen charity. The Gateway of Hope is a local organization that provides services and support to people experiencing homelessness, and the Revelstoke Women's Shelter provides assistance to survivors of domestic abuse. Congratulations to all students for all their hard work and advocacy! Two additional fundraisers are planned to raise additional funds - Cookies and Candy Bags on Wed. May 13 and Root Beer Floats on Wed. May 27! Thank you for supporting these worthy causes!

Gr. 10 CLE students are continuing their fundraising efforts to support local charities! Next Wed. there will be a candy bag and specialty cookie sale at lunch! Proceeds will go to the **Revelstoke Women's Shelter Society**, a BC organization that supports survivors of domestic abuse and their families. They provide temporary safe houses to those escaping abusive households, along with many programs that help raise awareness about abuse and connect victims with support networks. Proceeds will also go to support **A Way Home Kamloops**, a BC organization that supports and takes care of homeless people aged 18-27. They provide housing and mental health support for young adults living on the streets of Kamloops through the year. Buy some cookies and candy bags to help us support these worthy charities! Thank you for your support!

Middle School District Speak Out

This week, some of our Grade 6 students proudly participated in the District Middle School Speak Out, hosted by HD Stafford Middle School. This event highlights student voice, confidence, and public speaking skills. Congratulations to our four participants who participated in the District event! A sincere thank you to our Grade 6 teachers for the time, guidance, and encouragement they provided to *all students* throughout the Speak Out process. Your dedication made this experience meaningful and successful for every participant.

Youth Vaping Messaging – Fraser Health

As part of its health promotion for students and families, our community partner Fraser Health is sharing important information on various topics. The theme for May is youth vaping. Please share the following information below in your next newsletter or communication to families. This information will be shared on the District's social media channels.

Youth Vaping Information (from Fraser Health)

Health, safety, and wellness continue to be a priority in our schools. To help support our students and families, we are sharing important information from our community partner Fraser Health about youth vaping for school-aged children and youth. Please see below for helpful guidelines and resources to support your child.

Vaping is popular among youth. Daily or near-daily use can increase the risk of mental and physical health harm.

In 2023, 26 per cent of youth in grades seven through 12 in British Columbia reported having vaped. The most common age that B.C. youth first tried vaping was 13.

How to support youth to prevent, delay or reduce vaping

It is important to be supportive and recognize that setbacks may happen. You can help by being a positive role model and offering guidance in the following ways:

- Have open conversations about vaping. Listen to your child's beliefs and offer accurate information to help them understand the risks involved.
- Practice refusal skills with your child by discussing ways they can say no to vaping, especially in situations that feel uncomfortable to them.
- Be honest about your own use of tobacco, cannabis or vaping products. Share any health impacts or challenges you've experienced.
- If you vape, avoid vaping around children to limit their exposure to second-hand vapour. Consider quitting or reducing vaping to improve your own health. For help, contact [Quit Now](#), a provincially funded nicotine cessation program.
- Store vapour products securely and out of reach of children and youth.
- [Tip sheet for parents: Talking with your teen about vaping](#)

Learn more about vaping products [here](#).

For more information about child and youth substance use, including services, programs and resources available for children and youth, visit [Fraser Health's website](#).

Student in Distress and School Safety

Health and safety are a priority in the Langley School District. Our schools follow procedures to help keep students, staff, and the community safe. Depending on the situation, communication to parents/caregivers is needed to keep families informed about incidents in our school, such as during lockdowns, hold & secures, and room clears, or in the event of a student in distress.

Sometimes these situations may not be emergencies but events that require a school response. It is important to note that the decision to send communications to families is dependent on a variety of factors including the nature of what happened, who has witnessed or was directly impacted by what happened, as well as student and staff privacy. Communication is unique and dependent on the specific situation; there are times when a student is in distress, yet the situation may or may not require a message or letter to families. In addition to communication with parents/caregivers, teachers and staff may debrief with students after an incident that may have upset them. In some

cases, the school counsellor may offer support to students in need. As always, we want families to let us know if your child requires support. If you have any questions or concerns about communication related to situations or emergencies, please reach out to the school.

International Student Program Homestay Families

Embark on a rewarding journey of cultural exchange! The District is seeking homestay families to host International Student Program (ISP) students for the 2026-2027 school year and beyond. There are many benefits including learning a new culture, sharing your family traditions, and developing life-long friendships. Homestay families are provided \$1200 per month to offset costs. Start your journey here: **Students & Homestay**
