Hello Families,

November is such a busy month but also feels a bit like an "in-between" month for us at the school. This last week, we had the opportunity to commemorate and honour veterans with our ceremonies for both National Indigenous Veterans Day (November 8) and Remembrance Day (November 11). Both of our assemblies demonstrated such a high regard for the occasion. Both myself and Mr. MacIver were very impressed with the high level of respectful behaviour and care our students took during the assemblies, it was highly commendable and a testament to their character.

We would like to thank all of the teachers, classes and grades that contributed to the assembly.

Students also had the opportunity to taste the celebration of Diwali, which occurred from November 6-10. Ms. McNair and her students ran a samosa sale in the foyer while students enjoyed music.

Mr. MacIver and I would also like to remind families at pick-up afterschool to please keep younger siblings close or in your vehicles—we are seeing many of them running up and down in front of the school, and through the parking lot. We do need to keep our students focussed on instruction and final wrap-up activities in the classrooms on that side of the school; so respectfully we ask that you do not allow younger siblings to be in that area until after the bell. We also have concerns about safety in the parking lot with so many students running around. Thank you.

A reminder that students are not in session on Friday, November 20th.

Second Chance Style Fashion Show

When: November 17th at Lunch
Where: Large Gym
Who: High School Students and staff

Do you have clothes sitting in your closet that you never wear? Give them a second chance! We're collecting clean, gently used clothing to be featured in our fashion Show. Afterwards, the clothes will be donated to the Gateway of Hope.

Be a Model
Want to walk the runway and show off the donated clothing?
We're looking for student models to participate in the fashion show.
Plus, the top three models will win three $15 Starbucks gift cards!

Be a Judge
Do you have an eye for style?
Volunteer as a judge and help decide which outfits are worn best on the runway.

Sign Up Today!
Sign up using the QR code or link here or on the posters in the hallway.

Bring your donations to school over the next two weeks. Drop the clothes in the foyer in front of the counselling office.

The line up in June of people who didn't pre-order a yearbook... most of them will not be able to buy one! 🥺🥺😢😢😭😭

BUY YOUR Yearbook

LFMSS

Peer Tutors Available

A number of our senior students have indicated they are willing to tutor our younger students and provide one-to-one academic support to them. Our Peer Tutors are reimbursed at the rate of $22.00 per hour and are usually paid at the end of each tutoring session. Tutoring usually takes place in school during non-instructional time, for example an hour before the instructional day begins or an hour after the final bell of the day. Other mutually agreeable arrangements regarding number of tutoring hours requested, location, and other details are made directly between the parents of the student wanting tutoring and the Peer Tutor.
Any families wanting Peer Tutoring for their students in our younger grades (grades 6 to 11) please contact Mrs. Frost directly via email at: pfrost@sd35.bc.ca

School District News

Information About School Status During Inclement Weather

Snow closures and power outages are an annual occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to X (formerly Twitter) @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKNW 730AM, Country Radio 107.1FM, Pulse 107.7FM, CBC 690AM or CBC 88.1FM for updates.

In the event of inclement weather, the District may implement a delayed start or early dismissal at school sites. This information will be communicated to families via one or more of these methods: SchoolMessenger, email and/or text and on the District website. For District bus riders, schedules may change depending on the school status. Bus riders will be notified of changes via one or more of these methods: My Ride K-12 App, email, phone, and/or District website.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.

Student Safety in Schools (Middle/Secondary Schools)

The Langley School District is committed to fostering safe and caring schools that promote mutual respect, cooperation, and social responsibility, and support optimal learning. Trauma Informed Practices and Procedures promote the creation and maintenance of safe, inclusive, equitable, welcoming, and nurturing school environments. The District expects all students to follow the Student Code of Conduct **AP 350**. This expectation is also in line with the new **Provincial Firearm Violence Prevention Act (FVPA)**.

The District is sharing a reminder that no one can have "any weapon for any purpose" on school property. This means that weapons are not allowed to be used as part of an educational project, drama production, or themed costume. Examples of weapons include but are not limited to knives, brass knuckles, swords, decommissioned firearms, replicas, air soft guns, bb guns, and toy guns. The possession or use of fireworks, firecrackers, explosives, or similar devices or objects is also prohibited on school property. Failure to follow these expectations may result in confiscation, intervention, and consequences.

Township Emergency Preparedness Workshop

Please share the following message in school newsletters:

The Township of Langley is hosting an Emergency Preparedness Workshop for the community.

These 1.5 hour workshops are designed to help residents better prepare for emergencies by providing practical information, resources, and steps they can take to protect themselves and their families.

A workshop will be held on Saturday, November 28th from 1:00pm - 2:30pm at salishan Place by the River in Ft Langley.

Please register here: **https://www.tol.ca/en/emergency-preparedness-workshops.aspx**

Pedestrian Safety Offer from ICBC

We're pleased to share that this fall we're continuing our efforts to encourage pedestrian safety and safe driving behaviours across BC:

As we enter the darkest months of the year, visibility becomes a significant road safety concern. Nearly half (42%) of pedestrian-related crashes in BC occur between October and January, when weather and visibility conditions are often at their most challenging.

This fall, we're continuing to distribute high-visibility safety reflectors throughout communities across the province. A key focus will be providing reflectors to all K-12 students across BC. Children are more than twice as likely to be involved in a crash during busy school drop-off and pick-up times than during other times of the day, making visibility an important part of helping them stay safe on their journey to and from school.

These reflectors can be attached to backpacks, jackets or other outerwear to help students be more visible in low-light conditions.

Schools can request free reflectors for every student by completing this **online request form** between November 9, 2026 and January 31, 2027.

Requests can be submitted by **school administrators, such as principals**on behalf of their school. There is a **limit of one request per school for reflectors**. Reflectors will be delivered 3-4 weeks after the request is made, while supplies last.

We'll also be reminding drivers to slow down, stay focused and watch for pedestrians, especially at intersections, near transit stops and around schools.

For more information about pedestrian safety, visit www.icbc.com/road-safety/sharing/pedestrian-safety.
