What is WAVE?

Work **A**nd **V**olunteer **E**xperience (**WAVE**) allows grade 10-12 students in the Langley School District to earn graduation credits for paid and unpaid work with a local employer. Students will have an 80 to 170-hour placement with employers as an entry-level employee and/or job shadow.

Student Benefits

- Exploring career options
- Learning by doing, hands on experiences
- Transitioning from school to work
- Gaining confidence in an area of interest
- Establishing a professional network
- Getting experience in real workplaces

Employer Responsibilities

- Having active WorkSafe BC coverage for employees
- Interviewing students
- Signing documents
- Mentoring students
- Providing meaningful work
- Supervising students
- Understanding the WAVE course and process

Success is measured by how
you make those around you feel.
