SCHOOL VISION/MISSION:

Mission:
Empowering Learners to
Thrive, Contribute, and Lead
Together, We Learn

SCHOOL GOALS:

INTELLECTUAL DEVELOPMENT:

All learners will demonstrate proficiency in literacy expectations or on their IEP/AIP goals by the time they enter the Grad Program.

HUMAN & SOCIAL DEVELOPMENT:

All learners will grow their skills of self-regulation, well-being and problem solving through supports that nurture a student's sense of belonging

CAREER DEVELOPMENT:

All learners will successfully transition through WGSS with the understanding of the personal strengths and skills needed to navigate meaningful future pathways and careers for themselves

RESOURCES TO SUPPORT OUR WORK:

KEY RESOURCES & ANCHOR DOCUMENTS

- District Strategic Plan
- District FESL
- Aboriginal Education Enhancement Agreement
- Provincial Assessments & Surveys
- District Assessments & Surveys
- Student Voice
- Student Attendance and withdrawal reports

UNIFIED ACTIONS:

- Creation of structures and strategies to collect and respond to student voice, with a specific focus on priority learners
- Develop a common literacy support system with targeted interventions and extensions
- Utilization of PLC time to develop targeted instructional and assessment strategies based on Prioritized Learning Standards
- Develop and enhance the use of REP time to provide Tier 1, 2 & 3 interventions for all learners
- Develop common criteria for determining a student's sense of well-being.
- Research and determine programs for school wide self and co-regulation systems.
- Communicate and develop with the school community a common understanding of the school's values and traits
- Co-create a list of the necessary skills for student success and develop a common set of strategies to increase student understanding of these skills

ADDITIONAL INFO:

- At Walnut Grove Secondary School, we acknowledge and are honoured that we work and learn on the traditional, ancestral, and unceded territories of the Katzie and Kwantlen First Nations.
- Walnut Grove Secondary School is a diverse, dual track (English and French Immersion) grade 8–12 comprehensive secondary school that currently enrolls 2203 students. As one of the largest comprehensive secondary schools in the province, we are fortunate to offer a variety of unique programs, opportunities, and supports for our students.
